FOREWORD

It gives me great pleasure to foreword this document that articulates our shared vision and mission. Strategic plan is a living document that functions as a foundation for all our decision making and goal setting in the church and in all our ministries. This implies that for this important document to serve its purpose, we must individually and collectively own it, run with it and whenever necessary, review and adjust it appropriately to fit the demands of the ever-changing landscape of our ministry. For PCEA Karen West to realize a united, responsive, and vibrant community of believers that mirrors Christ in totality, we must strive to embrace the following significant aspects:

- 1. Unity:** We should all seek to be united in faith and purpose, understanding that we are all part of the Body of Christ. This means that we love and accept one another, no matter our differences, and work together in harmony to fulfill God's mission (1 Corinthians 12:12).
- 2. Responsiveness:** As a church we need to continue being attentive to the guidance of the Holy Spirit and respond to the needs of our congregants and the world around us. Let us be fast to help, support and encourage one another and be devoted to doing God's will individually and collectively (Proverbs 3:27).
- 3. Vibrancy:** Our church is full of zeal, joy, and enthusiasm. Let's uphold the same passion in sharing the Gospel, our worship services, in giving and serving the community. May our positive vibes be contagious, drawing others to join us in our journey with Christ. Let us never be lacking in zeal but keep our spiritual fervour serving the Lord (Romans 12:11).
- 4. Christ-likeness:** We must strive to imitate Christ in every aspect of our lives. This means following His teachings, showing His character traits of love, compassion, forgiveness, and humility, and seeking to live out His mission of reconciliation and redemption. Our actions and attitude must replicate the nature of Christ, drawing others closer to Him (1Corinthians 11:1).

A united, responsive, and vibrant community of believers that mirrors Christ in totality is a formidable witness to the world. May the Lord help us become this church that is a hallmark of God's love, steadfast in serving God and others, and zealous in pursuit of Christ-likeness in every aspect of life.

Rev. Njeru Wachira.

1.0 PREAMBLE

1.1 WHO ARE WE ?

Nestled in the serene suburbs of Karen, Nairobi, PCEA Muteero stands as a testament to faith, community, and enduring legacy. Let us explore the captivating background of this remarkable church:

1. Foundation and Heritage:

- Founded over 40 years ago, PCEA Muteero has deep roots that intertwine with the rich soil of its history.
- The collective vision of the founding members birthed a sanctuary where faith would flourish, and hearts would find solace.

2. The Name “Muteero”:

- The church bears the name “Muteero”, inspired by the Muteero tree.
- Like the Gospel it proclaims, the Muteero tree exudes qualities akin to the Word of God:
 - **Nice Scent:** Just as the tree’s fragrance attracts, the Gospel beckons souls (2 Corinthians 2:14-15).
 - **Long-Lasting Fire:** The Muteero tree’s wood burns brightly, much like the eternal flame of the Gospel.
 - **Charcoal and Flavor:** Kenyan communities use Muteero tree charcoal to treat milk gourds, infusing them with a delightful smoky flavor.
 - **Termite-Resistant Wood:** The Gospel, like Muteero wood, withstands the test of time.

3. Thanksgiving Hands:

- The church’s unique design features two clasping hands in a prayerful pose.
- These hands with ten fingers, some small and others large, symbolize unity, prayer, and gratitude.
- Aptly named “Thanksgiving hands,” they remind us to lift up our hearts in praise and thankfulness to God.

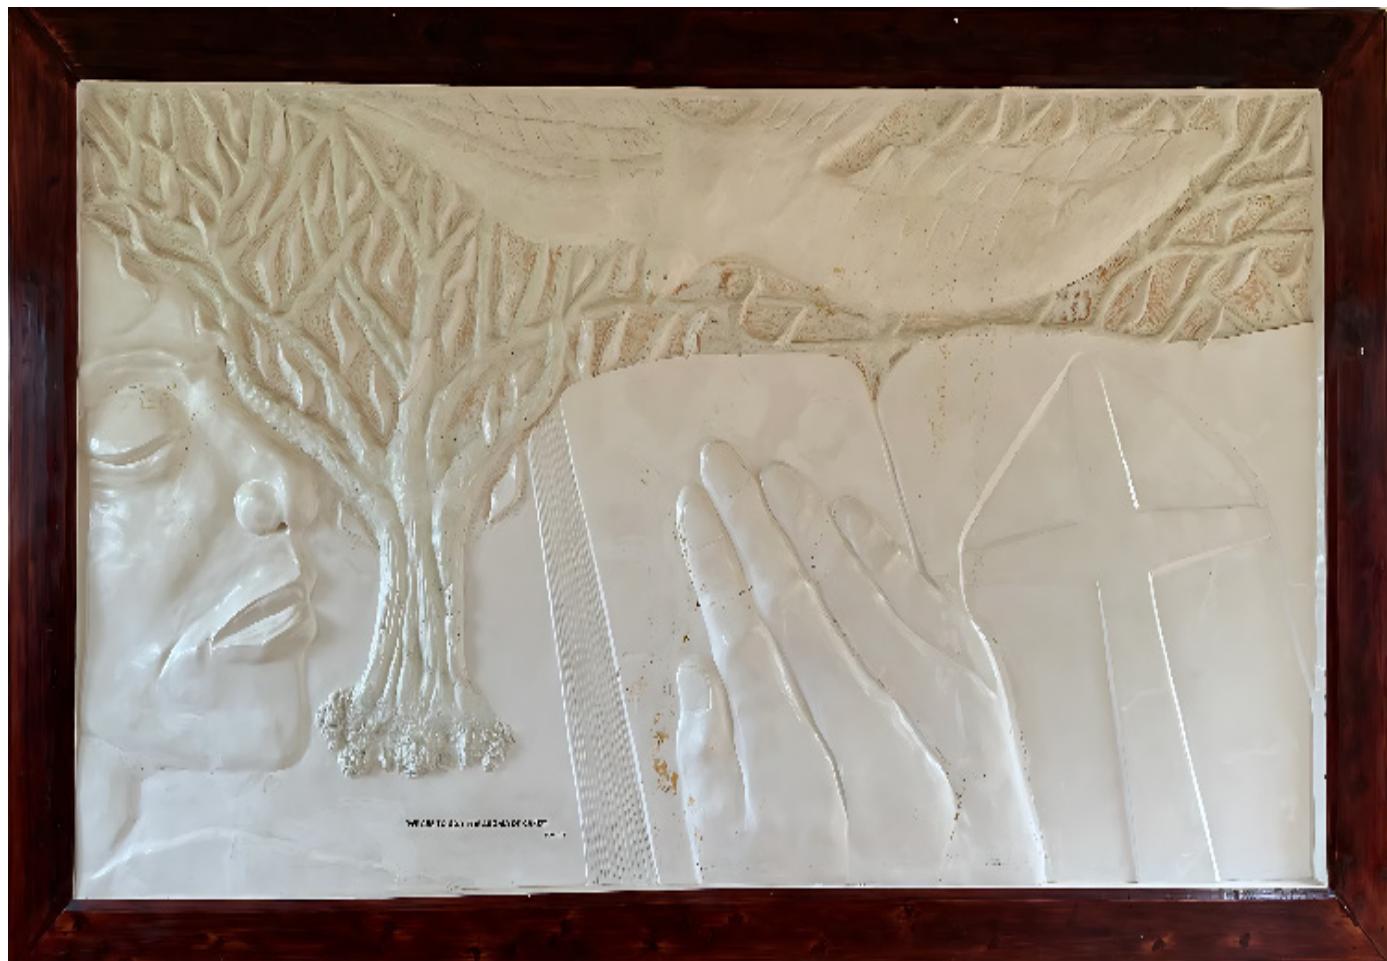

4. Forever Burning Light:

- Just as the Muteero tree’s fire burns steadily, the Gospel’s flame within us should never wane.
- Christians, like torchbearers, illuminate the world with love, hope, and grace.
- Let our lives be a sweet fragrance, drawing others to the Gospel we stand for.

It has been the core vision and mission of this congregation to spend time with God in His word, worship, and prayer, to have care, love and concern for all, to be hospitable and welcoming to everyone regardless of their status, to focus on the family and to empower all for works of service.

PCEA Muteero Church—where history, faith, and community intertwine, and where the Gospel's light shines brightly, forever burning.

Welcome to PCEA Muteero Church, Karen West Parish where '**The power of God meets the needs of the people!**'

1.2 OUR MANDATE

The mandate of the Parish is clearly defined in the Holy Scriptures as given in the Great Commission. (Matthew 28:19).

The mandate is further elaborated in the Practice and Procedure document of the Church, Resolutions of the General Assembly and minutes of church courts and committees alongside established traditions of the church. In addition, policies and governance manuals as promulgated by the Session from time to time will form additional sources of our mandate. The Scriptures say that the object and purpose for which the Church exists is to preach and teach the Gospel of our Lord Jesus Christ.

1.3 OUR VISION

To be a united, responsive, and vibrant community of believers that mirrors Christ in totality. (Matthew 5:16).

1.4 OUR MISSION

To foster a welcoming fellowship that worships God passionately, cares for humanity, empowers and nurtures individuals to deepen their faith and serve as beacons of light in obedience to the Great Commission (Mathew 28:19).

1.5 THE CORE VALUES WE UPHOLD

Our Core Values are the enduring beliefs and convictions that reflect the heart of Jesus Christ. The values represent our highest priorities and commitments and are the foundation on which the ministries of the Parish are built. They set apart and define the culture and norms of PCEA Karen West Parish.

The following sets of values are to be upheld at all times:

- **Bible centered** -We are committed to the clear and accurate interpretation and teaching of the Word of God, in an attitude of grace that urges obedience. (II Timothy 3:16-17).
- **Prayerful** -We believe in individual and corporate prayer, recognizing our total dependence on God. (Philippians 4: 6, 7).

- **Presbyterian Governance** - Presbyterian form of church Government; based on representative participation of members and entirely dependent on the guidance of the Holy Spirit. (Exodus 18:18-23).
- **Integrity** - We are committed to acting in an honest, accountable, and transparent manner in all our undertakings. (Psalm 15:1-5).
- **Stewardship** -We are committed to equipping, encouraging, and enabling our Church members to serve diligently in the ministry, as God has gifted each one of them. (Romans 12:3-8).
- **Ecumenism (Unity in diversity)** - We embrace the unity of the Holy Universal Church. We encourage openness, respect, and honor the diverse denominational backgrounds of Churches with whom we share a common faith. We seek to work in partnership with like-minded groups for the furtherance of the gospel. (I Cor. 12:12-14) .
- **Professionalism** - We are committed to the highest levels of achievement obtainable through competence and pertinent skills. (Exodus 31:3).
- **Innovativeness** -We embrace new ideas and are committed to seek new approaches to the ministry of our Lord and care for humanity. We shall willingly try new approaches with vitality, energy and enthusiasm. (Rev. 21:5).

2.0 OVERVIEW

2.1 ISSUES AND CHALLENGES

The Church today is faced with a myriad of challenges in the present day society. These include and are not limited to:

- The decline of Christian values and the trivialization of sin and disobedience to God's commandments, despite the growth of church membership and number of churches;
- The emerging family and parenting trends that distort the family institution and threaten the moral fabric of the society, such as early marriages, single families by choice, co-parenting, and LGBTQ+ relationships;
- The social problems that result from broken and unstable homes, such as anti-social behaviours, Gender Based Violence (GBV) & child abuse;
- Increased alcohol, drug and substance abuse;
- Negative influence of Social Media;
- Tough economic times and high rate of unemployment that affect the lives of many people, leading to increased crime rate and soaring food prices;
- The rampant corruption that plagues the political class and the public sector, eroding the trust and accountability of the government and its institutions;
- The emergence of legislation that is inconsistent with biblical values, such as the recent supreme court ruling allowing LGBTQIA+ community the freedom to associate, which extends to the formation of associations;
- The negative ethnicity that is fueled by politicians creating divisions and conflicts among different ethnic groups;

- Re-emerging cultural practices;
- The emerging cults and radicalization that lure people away from the true faith and into false doctrines and ideologies, such as terrorism and extremism;
- The health sector challenges that are caused by the rapid increase in lifestyle diseases, chronic diseases as well as mental health issues, and the continued spread of HIV/Aids pandemic, affecting the physical, mental, and spiritual well-being of our people; and
- The environmental problems that are caused by climate change, leading to extreme weather patterns, such as droughts and floods, and the weak enforcement of legislation, leading to illegal deforestation and loss of biodiversity.

PCEA Karen West Parish has to wrestle with these societal complexities and the challenges that shake the foundation of the family as created by God and threaten to turn our society into a secular and idolatrous nation. The Parish as the body of Christ is the salt and light and has to inspire hope in spite of these challenges. The members of the Parish are the key internal stakeholders and will drive the implementation of this strategic plan. The challenges are enormous and the Parish can only address them by the help and guidance of the Holy Spirit and total commitment to prayer.

2.2 THE KEY CHALLENGES WITHIN THE PARISH

The key challenges within the Parish are highlighted below:

- Low spiritual maturity and erosion of Christian values among church members;
- Low level of voluntary commitment by members due to erosion of the PCEA Church tradition of voluntarism and a preference to substitute physical presence with money among members;
- Inadequate financial resources and capacity to support mission and social programmes and respond to emerging challenges;
- Delayed marriages leading to exodus of the youth to other churches;
- Affluence eroding Christian values in the family;
- An exodus of some members to other congregations;
- Emigration of members to other countries;
- Increased levels of unemployment amongst the youth;
- Inadequate capacity to respond to the needs of the young population;
- Potential conflicts with secular/traditional practices and legislation that contradict biblical values;
- Emerging health issues, especially those related to HIV/Aids, alcohol, drugs and substance abuse, lifestyle diseases as well as chronic conditions;
- High level of non-compliance with church doctrines amongst the church members;

- Emerging cults, radicalization, and negative impact of social media;
- High levels of poverty in many of the slum areas that fall within the Parish; and
- The challenge of reaching the well-endowed segment of society that is unresponsive/hostile to door-to-door evangelism and the ‘church dropouts’ i.e. people who drift away from church.

2.3 MEETING THE CHALLENGES

- Resource Mobilization - The Parish will mobilise the resources required to facilitate the implementation of the identified activities as planned.

- Monitoring and Evaluation- A proactive monitoring and evaluation mechanism will be developed and given full support by the Parish Session. Tools to facilitate the monitoring and evaluation will be availed.

THE RESPONSE

The proposed response by the Parish to address these challenges is outlined below. The primary objective is to realize positive outcomes as the plan is implemented.

- Promote and enhance effective worship and evangelism;
- Promote and enhance individual discipleship and family life education;
- Enhance membership growth and retention;
- Create and promote a strong identity of the Parish;
- Implement self-financing projects;
- Promote partnerships, joint initiatives and cooperation with organizations sharing in common goals, to achieve the goals of the Parish;
- Develop effective leadership by enhancing capacity building for leaders; and
- Seek to facilitate the economic empowerment of the church members.

2.4 OVERALL EXPECTED OUTPUT

The core business of the church as it has been adequately captured in the mission statement of the Parish as “Obedience to the Great Commission – to go and make disciples of all nations”. All the activities, programs and projects proposed in this Strategic Plan underscore the vision of the Parish. None should never be seen as an end in themselves. The ultimate output, therefore, is how each is efficiently and effectively implemented in fulfilment of the Great Commission and to ensure that we win as many souls as we possibly can for Jesus Christ. This will be the yardstick against which the success of the implementation of this Strategic Plan will be measured.

3.0 STRATEGIC DIRECTION

3.7 STRATEGIC GOALS CHAMPIONS

From experience strategic plans succeed or fail depending on whether there are champions within the organizations' who are charged with the responsibility of championing and reporting the implementation of the plan at the different levels of the organization and at each implementation stage.

This document includes a detailed implementation work plan outlining specific activities for each goal, along with assigned owners responsible for their completion. This approach provides the parish with clarity regarding who is accountable for each action. By adopting this model, the parish gains a clear understanding of the activities necessary to achieve its strategic objectives and goals, as well as clear, measurable objectives outlined in the reporting template.

4.0 ORGANIZATIONAL ANALYSIS

4.1 INTRODUCTION

An assessment of the context in which the Parish exists from a social, political, and economic perspective was done, with a view to establish:

- Opportunities that will enable the Parish to achieve its objectives sooner, or with less resources, or
- Situations that will reduce the Parish capacity to attain any stated objective according to plan.

However, the degree to which these factors will affect the Parish operations will also depend on its internal weaknesses and strengths. In this regard, therefore it was necessary that the Parish Opportunities, Threats, Strengths, and Weaknesses be identified, taking into account the factors within which this plan will be implemented.

4.2 SITUATIONAL ANALYSIS - (SWOT/PESTLE)

4.2.1 External Environment Analysis - PESTLE

The Parish operations are sensitive to the external environment. The factors that can impact on its operations include Political, Economic, Social, Technological, and Legal and Environmental (PESTLE).

The external analysis looked at the environment in which the Parish operates to determine how it will affect its ability to achieve its vision and mission. The (PESTLE) tool was used for this purpose and it was used to analyze the opportunities and threats that may influence the effective and efficient service delivery of the ministry

Table 1: PESTLE Analysis (Political, Economic, Social, Technological, Legal & Environment)

Dimension	Issues and/or developments likely to impact on the Parish capacity to achieve its objectives	Effects the issue/development presents in terms of opportunities and threats to the Parish

Introduction of new legislation and tax regime Church regulation by the government National dialogue process Increased number of social programmes by the government: Hustler fund, Housing plan, Inua Jamii , Social Health Insurance Scheme etc	1. Co-operation with government agencies in the roll-out of social programs as well as training and creating awareness on the government programs that would benefit the people.	1. Government encroachment to the Church's Sphere of influence Reduced mandate on church-based institutions. 3. The parish may face hostility or persecution from some political actors or groups who may view it as a threat or a competitor to their interests or agenda. 4. The parish may be compromised or co-opted by some political actors or groups who may seek to use it for their own political gain or manipulation The parish may be divided or polarized by the political conflicts or controversies, especially along ethnic or regional lines. 5. 4.3 STAKEHOLDER ANALYSIS

The Parish functions within a vibrant metropolitan community with a wide variety of residents and activities and has therefore a diverse range of stakeholders. In developing this Strategic Plan, the Parish analyzed both the internal and external stakeholders who have direct or indirect relationship with the Parish.

4.3.1 Internal Stakeholders

The internal stakeholders constitute the members of the Parish and the various organs of the church. For the internal stakeholders to work effectively in meeting the goals of the Parish, good governance in the Church is essential. It is therefore critical to clearly delineate the functions and responsibilities of each group of internal stakeholders for harmony and productivity, as well as their expectations. The functions of the various Courts, Groups/ Boards and Committees are elaborated in the specific Acts of the Practice and Procedure Manual of the Church. However, it is necessary to assign responsibilities to the various units to avoid overlaps and hence conflicts and also to ensure that there is coherence of effort in attaining the objectives set out in this Strategic Plan. As scripture states in Romans 12:4, *the body is one but has many members with different functions under the guidance of the same Spirit.*
